Our Mission

South Bay Children's Health Center serves the dental and mental health needs of low-income or at-risk children, teens and young adults; empowering them to live healthy, productive and happy lives.

Since 1947 SBCHC has filled the gaps in health care for low-income, underserved and at-risk children, teens and young adults. Today, SBCHC provides quality dental and mental health services to more than 19,000 youth at our clinics, in local schools, and together with our community partners. We serve local South Bay communities including:
