# Parking Instructions

Type in 840 Apollo St. into your maps app.

Once you arrive, you will see a parking garage called  
**840 | 880 Parking.**

There will be a security guard at the entrance of the garage to direct you once you enter.

Drive all the way up to the rooftop (very top) to find parking – try to stay towards North side of the structure.

Look for spots marked **All Day Visitor.**

## **Getting down: North Lobby Elevator**

Locate North Lobby Elevator (up a small ramp towards North side of structure), take down to 1st floor.

Once at 1st floor, make a right to head back outside through lobby doors.

Walk through 1st floor of parking garage, then make a right into the courtyard.

Once in courtyard, look for glass doors that say  
**CENTRL Office.**
